Naval Air Systems Command has a large Navy footprint worldwide with concentrations in China Lake, CA; PAX River MD; Lakehurst, NJ; Orlando, FL; Cherry Point, NC; Norfolk, VA; Jacksonville, FLA; North Island CA employing 25,000+ Navy civilians. As a sponsor organization, they will always be present as the NAVAIR Lead Sponsor at career events, targeting their specific hiring locations and conducting on site interviews. Their efforts will be augmented by the HRSC-NE team for hiring authority assistance and on-going additional referrals for organizations outside NAVAIR.

Targeted Population: This targeted effort seeks to identify Purple Heart recipients, combat related wounded/injured transitioning military service members, and those who have or will receive a disability rating of 30% or greater (using service and/or VA standards) upon separation from military service, or may be eligible for other special hiring authorities i.e. VRA and Schedule A. Services to be provided both during periods of active duty (rehabilitation) and post separation as requested by service member. This effort covers individuals located and assigned to the Warrior Transition Unit.
