

This is Our Shelter-In-Place Location

The Emergency Kit is Located:

Ensure That You:

- *Contact the Unit/Installation Operations Center to provide status of personnel for accountability*

- *Tune to this radio station for further information:*

Remember:

Local officials on the scene are the best source of information for your particular situation.

Following their instructions during and after emergencies regarding sheltering, food, water, and clean up methods is your safest choice.

Shelter "Up"

Shelter "In"

Shelter "Down"
