Introduction

Purpose
The purpose of this user guide is to provide employees an introduction and overview of new MyBiz+ functionality and dynamic features.

All data contained within this user guide is fictional and does not represent any real person, position or other record of any type.

Who should use the Guide?
DoD Appropriated Fund, Non-Appropriated Fund (NAF) and Local National (LN) employees

Background
The Defense Civilian Personnel Service (DCPAS) and its technical development organization, Enterprise Human Resources Information Systems (EHRIS), championed the replacement of the legacy My Biz application to allow employees to manage personnel data more easily. MyBiz+ is part of the Defense Civilian Personnel Data System (DCPDS) and access to employee data is protected by authenticated login.

About MyBiz+
Welcome to MyBiz+!
The initial release of MyBiz+ is employee-focused and the application is based on the principle of simplicity: easy to access, easy to navigate, easy to understand, and more intuitive and interactive. It provides users at-a-glance information display, easy navigation flows, new tools and customizable views. Subsequent releases will include new manager and supervisor products and services; these next iterations will be built with the assistance of customer feedback.

Employees will benefit from:

- Multiple avenues of navigation within the MyBiz+ pages
- Customization of specific pages
- Capability to provide feedback on the functionality and features
- A well-organized display of personal information
- Capability to update, edit, and change specific HR data
- Ability to view pay, leave and benefit data
- Ability to view organization and position-related information
- Capability to self-certify education, certification, license, and training information
- Ability to track and manage career-related information
- Receive real-time, HR notifications
Who to Call For Data Help? For questions regarding your HR data in MyBiz+, please use your Agency established process for requesting HR assistance.

Who to Call For System Help? For questions regarding login or access to other DCPDS applications or DCPDS system functionality, please contact your Component Help Desk. The Component Help Desk contact list is located on the DCPDS Portal page at https://compo.dcpds.cpms.osd.mil/

Use control button and mouse click (Ctrl + Click) to follow hyperlinked words leading to helpful screenshots or additional information. Use the keyboard shortcut Alt + Left Arrow to return to the jumping off point.
Accessing MyBiz+

DCPDS Portal Page

All users must log in at the DCPDS Portal page. This is the authentication page which allows access if permitted. The DCPDS Portal page has a new, modern look and feel and is timed with the release of MyBiz+. The updated DCPDS Portal page retains the same features, tips and functionality as the former login screens.

To access MyBiz+, navigate to the DCPDS Portal @ https://compo.dcpds.cpms.osd.mil/ and follow your Component or Agency Smart Card/Common Access Card (CAC) and Non-Smart Card/Non-CAC access log in process.

Upon login and acceptance of the Privacy Act Statement, DoD employee users are directed to the MyBiz+ homepage.

Military and External users are directed to the old My Biz responsibility page.
Internet Explorer Compatibility Mode

If your browser is in Internet Explorer Compatibility mode, a notification will pop up. Follow the instructions in the notice. Changing the compatibility mode will refresh the browser to the correct viewing state.

Update Work Email Address Pop-up

Upon accessing MyBiz+, a work email pop up will display for employees whose DCPDS records do not contain a work email address. Select OK to immediately update the Work Email address, or cancel to update at a later time.
MyBiz+ Log Out – a Two-Step Process

There are two (2) log out sessions – one for MyBiz+ and one for the DCPDS Portal (the authentication page).

**MyBiz+**

Begin the MyBiz+ logout process by using the *Logout* link on the upper right of the MyBiz+ homepage.

Hint: If MyBiz+ is left idle for too long and the Logout link becomes unresponsive, close the MyBiz+ browser tab on the address bar by clicking the X.

The *Logged Out* message appears with instruction to close the MyBiz+ tab on the address bar. Once you close the MyBiz+ tab, this action will return you to the DCPDS Portal page.

**DCPDS Portal**

Select the *Logout* button to exit the DCPDS Portal session, and then select *Close* to complete the process.
Menu Bar, Slider, Notifications, Navigation Bar

1. Menu Bar – Contains MyBiz+ logo link and provides link access to other systems, helpful resources and self-help documents. It is located under the address bar.
   - Other DCPDS Applications - Allows access to other regions, applications.
   - Favorites – Manage default website links by adding, or removing favorite website links. These will open in a new browser.
   - Help - Includes training guides, provide feedback and Screen Reader mode for 508 users.
   - Log Out - Log out of MyBiz+ and close the browser.

2. Slider – provides good-to-know current information for all employees located in the upper left corner.

3. Notifications – Displays up front notice of HR actions or updates to your record, or actions or interests all located in the upper right corner. Select the Notifications title to view all notifications on one page, utilize the scroll bar to view notifications, or select a specific notification.
Navigation Bar – The navigation bar exists on all pages within MyBiz+ and is located under the Slider and Notification areas. The bar displays the Home link on the left, and the Detail Page icons on the right. It allows for direct navigation to all Detail Pages from any location within MyBiz+ or return to the homepage.
Provide Feedback – This link is available for the first 90 days after release of MyBiz+ and allows employees to submit design and functionality comments and suggestions on MyBiz+.

Views Area – The Views are located in the middle of the MyBiz+ homepage and the screenshot above depicts the default layout employees will see upon initial log in.

Manage My Views Link – This interactive tool allows employees to customize the Views area (#6) by moving the Views around (placement within the center area), adding a View, hiding a View or exchanging one View for another.

Detail pages – The color and icon defined tiles identifies the type of HR information contained within; and the tile colors and icons coordinate with the Views tab color and icon along with the mini-icons on the navigation bar.

Footer Information –
- Accessibility/Section 508 (From the Rehabilitation Act; Information Technology must be accessible and usable by as wide a range of people with disabilities as possible including people with visual disabilities (e.g., blindness, low vision and lack of color perception)).
- Privacy and Security Policy; includes mandated IA information.
- System Help Desk Contacts; contains a list of the Component/Agency Defense Civilian Personnel Data System (DCPDS) help desk contact information.
MyBiz+ Fundamentals; Views, Detail Pages, Colors and Icons

Throughout MyBiz+, the icons and associated colors are distinct throughout the MyBiz+ pages so users can quickly identify and move about with one mouse click.

Views
The Views are located in the center of the homepage and can be customized by the employee. The homepage accommodates one (1) to six (6) Views, and each View contains specific information from within the Detail Pages. Use the title link to access the corresponding Detail Page. Some users such as Managers, Supervisors and HR will have the View Other Responsibilities/Applications (not shown) in place of the Professional Development View.

For example, the Leave, Pay and Insurance Views below (green tabs) are sections of information within the Pay, Leave and Benefits Detail Page (green tile with $ icon).

Manage My Views Link

Customize the Views by using the interactive tool link, Manage My Views located on the right side. Click on the orange Tip for a quick reference. For more information about managing the views, see the Manage My Views user guide under Help.

Key Services and Other Responsibilities/Applications

What You Need to Know
- There are two (2) Views that do not have a corresponding Detail Page; Key Services and Other Responsibilities/Applications.
- The Key Services View contains quick access links to the most popular products and services; it does not contain personal information.
- The Key Services View defaults on the MyBiz+ homepage for all new employees and accounts.
The Other Responsibilities/Applications View is applicable to employees who have additional accesses or responsibilities within DCPDS. This View offers quick access links to these workspaces.

The Other Responsibilities/Applications View defaults on the MyBiz+ homepage only if it is applicable to the employee.

<table>
<thead>
<tr>
<th>Key Services Links</th>
</tr>
</thead>
<tbody>
<tr>
<td>My Biz or My Workplace - a link to the legacy application that allows employees, managers and supervisors (includes NAF and Local National) to view employee information and applications (such as the PAA) that has not yet transitioned into MyBiz+. Once all information is transitioned, this link will be eliminated.</td>
</tr>
<tr>
<td>Request Employment Verification – the link to submit a request for employment verification</td>
</tr>
<tr>
<td>Civilian Career Report – the direct link to the new, interactive and customizable report which pulls together employee career information into one easy-to-read report</td>
</tr>
<tr>
<td>Update Contact Information – Add or make changes to Work Email and Address, Phone, and Emergency Contacts</td>
</tr>
<tr>
<td>Update Professional Development – quick access to update Education, Training and Certifications/Licenses</td>
</tr>
<tr>
<td>Retrieve SF50 – a quick access link to the SF50 section in both the Personal and Position Detail Pages. Retrieve SF50 is a two step process.</td>
</tr>
</tbody>
</table>
**Detail Pages**

The Detail Pages are identified as six colored tiles with icons and the associated name. Within the Detail Pages, there are sections of information which contain pertinent HR information.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

**Colors and Icons**

The table below provides the details about each colored tile, the icon and associated name, what the underlying information is and how the information is displayed in Mybiz+. Use control + click on each icon in the table for more information.
| Reports | Tan | Employee Reports: Civilian Career Report, Awards Information, Certifications and Licenses, Emergency Contact, Joint Duty Assignment, Training | All reports are available from this detail page, or they are accessible directly from the associated detail page as a link |
MyBiz+ Buttons, Related Help, and Icons

Standard action buttons are used throughout MyBiz+. They are: Add, Cancel, Continue, Delete, Edit, Next, Preview Report, Previous, Print, Remove All, Return, Return to Homepage, Search, Select All, Update, View/Print.

Related help is found within the MyBiz+ pages and identified as Important!, Related Information, Notes, orange colored TIPs, Note, and Instructions.

The referenced images and icons below are used as examples to illustrate the context description.

<table>
<thead>
<tr>
<th>Images and Icons</th>
<th>Context Description</th>

<tbody>
<tr>
<td><img src="image" alt="MyBiz+ Logo" /></td>
<td>MyBiz+ Logo. Located on all pages within MyBiz+; select to the MyBiz+ logo on the menu bar to return home.</td>
</tr>
<tr>
<td><img src="image" alt="Miniature Icons" /></td>
<td>Miniature Icons. The icons are located on the right side of the navigation bar and each icon has a hover over identifying the Detail Page name. The icons are on every MyBiz+ so you can move quickly to other pages. In order as shown on the right, they are: Home, Personal, Pay, Leave and Benefits, Professional Development, Position, Performance, and Reports.</td>
</tr>
<tr>
<td><img src="image" alt="Navigation Bar" /></td>
<td>Navigation bar. The navigation bar appears on every page in MyBiz+. The left side identifies the Detail Page, with the associated bar color. The miniature icons on the right side of the navigation bar are on every page within MyBiz+. The mini icons allow quick access to other sections of MyBiz+ pages.</td>
</tr>
<tr>
<td><img src="image" alt="Linked Text" /></td>
<td>Linked Text or Labels. Blue underlined text, such as a title or label indicates there are underlying pages or documents. When clicking on the highlighted link, you will be taken to where that information exists.</td>
</tr>
<tr>
<td><img src="image" alt="Linked Titles" /></td>
<td>Linked Titles or Labels. White underlined text, such as in a View title, when clicked takes you to where the detailed information exists.</td>
</tr>
</tbody>
</table>
### Drop Down Arrows.
Small drop down or side arrows (in red circle) indicate a list of values or additional information. Arrows require one mouse click to open and close.

### The Star icon indicates a highlighted interest.

### Slide Play Indicators.
Standard play/function indicators for slides include, rewind, forward, play and pause. The three dots indicate the number of slides.

### A Notice.
The asterisk star indicates a message notification.

### Hover Overs.
Roll the mouse over a label and a hover over definition or explanation appears. Hover overs are used extensively throughout MyBiz+.

### Error.
A red X with red text indicates a value is missing or an error has occurred.

### Information.
An orange ‘TIP’ is used when there is useful information pertaining to the topic.

### Page Indicators.
For multiple pages of information, standard direction indicators are used:
First page, Back one Page, Page numbers, Forward one page and Go to last page.

### Check Box.
Used in the Detail pages to view multiple sections at the same time.

### Gift box Icon; used exclusively on the Personal Detail Page.
The Accordion View formats the sections in a list. Underlying information is indicated by arrow indicators.

### Gift box Icon; used exclusively on the Personal Detail Page.
The Data Carousel View formats the sections as ‘index cards’ or stations which can move around clockwise.

### Carousel Actions.
1. Add or remove rows from the Carousel station display.
2. Shuffle the carousel station one clockwise.

### Close screen.
The black X is used to close a pop up screen.
MyBiz+ Personal Detail Page

The Personal Detail Page has nine (9) sections of information within it and the information is specific to the employee as an individual, hence the person silhouette as an icon. There are two (2) viewing formats for Personal information: Carousel (Default) and Accordion.

Carousel Format

What You Need to Know

- The Carousel format is the default display for the Personal Detail Page. Six (6) of the nine (9) Personal sections are displayed in a carousel.
- To edit information from a station, it must be positioned front and center.
- Select any tab heading to bring a station up front, or rotate through each one using the arrow circle on the right side of the tab.
- Select the icon on the far right side of the tab to move the stations clockwise.
- Select the half moon icon on the right side to add or remove rows from the station display. A pop up allows you to Select All or Deselect All or select specific data fields as shown below.
- To change from the Carousel format to the Accordion format, select the Accordion View link under the left side of the navigation bar.
Accordion Format

What You Need to Know

- With the Accordion viewing format, nine (9) Personal sections of information are displayed in list fashion.
- Underlying information is indicated by an arrow indicator. One section opens at a time unless expanded.
- SF50’s or NPA’s are also located in the SF50 Personnel Action History section.
- Check the box *Expand an Additional Section on Page* as depicted below to view multiple sections at the same time.
What you need to know:

- The Pay, Leave and Benefits Detail Page is identified by a white dollar sign as an icon and green tab. It is for viewing only of current and historic pay information, current leave balances, retirement plan with TSP information and active insurance plans.
- The Awards section displays career award history, allows for self-certified additions (Add button) and has a linked report function. Use the page scroll bar at the bottom to change pages.
- To expand open and view multiple sections at the same time, check the box Expand an Additional Section on Page as depicted below.
- Select the Print Awards Information Report link on the right to get a consolidated list of awards.
The Professional Development Detail Page allows employees to view and update their Education, Training and Certifications/Licenses.

What You Need to Know

- The Professional Development View contains the most recent Education, Training and Certification/Licenses information. Select the Professional Development title in the View for direct access.
- Key Services has a link for direct access to the Detail Page or select or select the yellow Professional Development tile (Graduation Cap icon).
- Professional Development information is displayed via a Parent/Child view. In the Education example below, the Education level/ Bachelors Degree is the parent (Blue line), and the corresponding details below is the child.
- Update Sources: Verified means HR updated the information, Self Certified means the employee updated the information
- Select the Add button for a new entry that is not yet documented in the Training history.
- Hint: Read the front page guiding information for each tab. It contains valuable “what you need to know before you start” details.
The *Add* page below provides step-by-step tabs required for a successful entry.
The Position Detail Page provides comprehensive information about the position, assignment history and position requirements. This detail page is view only and identified by the person carrying a wrench and toolbox.

What You Need to Know

- SF50’s or NPA’s are located in the SF50 Personnel Action History section.
- Select View/Print SF50 to save or print a copy.
- **SF50 Retrieval** is located within the SF50 Personnel Action History section in both Personal and Position detail pages is a two-part process. The *External SF50s* button initiates a retrieval of SF50s from region databases and the *Fetch SF50’s* brings them in. Select the SF50 Retrieval hyperlink for more information.

![Position Detail Page Screenshot](image-url)
MyBiz+ Performance Detail Page

The Performance Detail Page displays current and past performance appraisal information. It is view only.

What You Need to Know

- The Active Appraisals section (current) applies to National Guard (NG) and Defense Civilian Intelligence Personnel System (DCIPS) employees only.
- Past Performance Ratings section applies to all employees who have appraisal ratings in their HR record.
MyBiz+ Reports Detail Page

The Reports Detail Page provides all of the standardized reports in one location. The Civilian Career Report is the only report that is customizable.

What You Need to Know

- All reports are available from this detail page, or they are accessible directly from the associated detail page as a link
  - Civilian Career Report = Key Services
  - Awards = Pay, Leave and Benefits
  - Emergency Contact = Key Services
  - Joint Duty Assignment Information = Personal
  - Both Certifications/Licenses and Training = Professional Development
- The Reports page has two view options; List View and Thumbnail as identified below
- Select the View/Print link to create the report, open and save the report, or view previous output
This page left blank.
Request Employment Verification

Employment Verification is accessed from the Key Services View.

Employment Verification within MyBiz+ provides Appropriated Fund (APF) and Non-appropriated Fund (NAF) employees the functionality to send employment verification information directly to a Third Party Requestor via e-mail. There is no limit to the number of verifications an employee can submit.

The information consists of employment only or employment and salary information. Employees can preview information on the screen before they complete the transaction.

The recipient and employee both receive a password protected attachment, and only the employee receives the password in a separate email. The employee must provide the password to the recipient.

**NAF Note:** All screen displays are the same for APF and NAF except for the [NAF Employment and Salary Information](#) section and output. NAF salary information provides Average Hours Per Pay Period and Base Pay as opposed to APF providing Total Pay and Total year-to-date (YTD).
There are two sections on the Employment Verification page that require selection and input;

1. **Information to Send** - Select either Employment Information or Employment and Salary Information. Definitions of each are in the box on the right labeled Related Information.
2. **Recipient Information** - The TO block is used for the third party email address such as the bank or lender, etc. My Email is the email address of the employee where the password will be sent. My Email defaults to the work email address in the system, however, the email address can be overwritten.

The Note located below My Email explains the email process in detail.

Select the Continue button at the bottom right to preview the employment information selected and to move on to Acknowledge and Submit.

If the Cancel button is selected, the request is aborted in its entirety and the MyBiz+ homepage will display again.

There are two sections to the Employment Verification - Acknowledge and Submit page, plus four options:

**Sections:**

1. **Recipient Information** - Shows the email addresses entered from the previous page, the Reference Number of the transaction and an information disclaimer.
2. **Preview** - Displays the employment information or salary information as selected from the previous page.

**Four Options:**

1. The Print Receipt button located in the upper right allows employees to print or save a PDF copy of their employment verification information.
2. Cancel button, if selected, aborts the request in its entirety and the navigator screen will display again
3. Back button will take you to the previous page.
4. Select *Acknowledge and Submit* button to continue with the request.

**Confirmation** - After the *Acknowledge and Submit* button is selected, the confirmation page displays with a disclaimer about the process and shows the email addresses involved. Select *Yes* to continue.
Consent to Release - The process continues with the Consent to Release page; consenting the release of PII information to the Recipient. Select Yes to continue.

Email Confirmation - This is the final page of the request. Select Return to Homepage, or select one of the mini icons from the Navigation Bar, or select Home.
Print Receipt Examples of Employment Verification

APF

The Print Receipt copy is exactly the same as what the Recipient will receive. The ‘emailed to’ line is blank because it has not been sent to the Recipient.
This is a NAF Print Receipt example depicting the salary information as it differs from APF salary information.
Employment Verification Email Examples

For both APF and NAF, this is an example the Employee receives containing the document password. The employee should provide the Recipient the password so they can access the Employment Verification information.

This is an email example the third party Recipient receives (i.e., Bank or Lender). Notice the attachment on the email and the password screen below that appears once the attachment is opened.
Civilian Career Report (CCR)

The interactive Civilian Career Report (CCR) allows employees to select information, arrange the information, preview and print a customized report of their career information. This report assists employees in managing the accuracy and completeness of their HR information. In addition, the preview feature allows employees to check the format and the information before printing a PDF document.

Select the CCR link from within the Key Services View or select the Reports tile.

From the Reports page, select Civilian Career Report View/Print link.
There are two regions on the CCR page: **Available Sections** and **Selected Sections**, plus seventeen (17) sections of information available for selection, either as a whole group or individual sections.

Use the **Select All** button to move all sections into the Selected Sections region. Alternatively, drag and drop functionality is available for individual sections.

As depicted below, use the mouse to grab, drag and drop individual sections (Training) into the area noted as Drag and drop sections here. The Selected Sections region turns blue when dragging and dropping information into the section. The Selected Section region displays the sections of HR information selected for viewing/printing.
Upon clicking the *Select All* button, all sections move into the Selected Sections region and options appear to further customize the report.

**Move Up/Down** – use the arrows to arrange the order of section information on the CCR (first, second, third, etc)

**Details Column** - a report icon appears if the section contains multiple rows of information (e.g., training section below)

**Remove Column** – a red X icon indicates the option to deselect a section from the report and return it to the Available Sections region.

To move all sections back to the Available Sections region, select the *Remove All* button. Or to move specific sections, select the red X icon in the remove column.

Use the *Preview Report* button to see what the CCR will look like when it is complete.

Selecting the *Details* icon will open a list of completed training available to include on the career report.
Selecting the *Details* icon will open a list of training courses to include on the career report.

Use the *Select All/None* box to include or remove all course titles, or select each one individually. Upon selection of individual course titles, the line turns blue and they automatically move to the top of the form. Use the down/up arrows to further arrange the order of the training courses on the CCR. In this example, the first and third courses were selected to print on the career brief.

To save changes or exit select *Return to Civilian Career Report Selections* button.

---

Select *Preview Report* to review the selected sections and section details. In this example, the preview displays four sections and two details.
Civilian Career Report – Preview

This page allows for verification of the selected information. To make changes, select the Return to CCR Selections button. If no further changes are required, select View/Print PDF button to print the final career report.

Select the View/Print PDF button, to open or save the final Civilian Career Report in PDF.

SF50 Retrieval

What You Need to Know

- SF50 Retrieval is a new, two process functionality that enables employees to retrieve SF50’s if they were previously assigned to another DoD Agency. For example, an Army employee moves to an Air Force position. The now Air Force employee can retrieve their Army SF50’s.

- SF50 Retrieval is available from a few locations; use the quick link Retrieve SF50 in Key Services, or go to the SF50 Personnel Action History section in either the Personal or Position Detail Pages.

- SF50 Retrieval is a two-step process using the External SF50s button and the Fetch SF50s button.

- Once the SF50s are retrieved, they will remain displayed within the External SF50s sub-section. Therefore, fetching them need only be done once until a DoD transfer type action prompts another retrieval to refresh. If an employee has worked for a few different DoD agencies, all SF50’s from the agencies will pull in at one time.
From either the Position or Personal Detail Page, select the *SF50 Personnel Action History* link to open the section. The current assignment SF50s display. Select the *External SF50s* button to begin the retrieval process.

Initially you will see *No Records Found* on the page until you select the *Fetch SF50s* button.

Note: The retrieval process may take a few minutes searching the region databases; please be patient. The spinning circles indicate the retrieval process is working.
If External SF50’s exist, a green circle with a checkmark will display for a few seconds and then go away. All previous DoD agency SF50’s display.

If no External SF50s are found, a yellow circle with an exclamation point will display for a few seconds and then go away. If you receive this result and believe it is in error, contact your HR office for assistance.

Select the *Return* button or the *Home / Position* link on the Navigation Bar to return to the Position Detail Page.
Summary

The initial redesign of MyBiz+ provides a foundation that is employee-centric, coupled with design features that are intuitive, interactive and can be personalized. Moving forward, the redesign will continue with the integration of manager-centric products and functionality. Supervisors and managers can expect enhanced capability and collaboration to support their job responsibilities.
