

Warning: Third-Party Mobile Applications - Thrift Savings Plan Security Warning

Widest immediate dissemination requested.

Apparently there are more TSP apps for smart phones that are being made available to employees. The TSP is aware and continues to warn that these are not sponsored or endorsed by the TSP. The TSP website has been updated with the following warning.

=====
Warning: Third-Party Mobile Applications – There are a number of mobile applications that reference the Thrift Savings Plan and may prompt you for your TSP account credentials. These applications are NOT sponsored by the TSP. The TSP cannot endorse any information or advice provided by third-party applications. More important, providing your TSP account credentials to third-party applications may jeopardize the security of your account.

For more information on keeping your account safe, see the Security Center (<https://www.tsp.gov/sitehelp/security/onlineSecurity.shtml>) on the TSP website or contact the ThriftLine at 1-TSP-YOU-FRST (1-877-968-3778)
